## Directions to Pat Busch Mountain Reserve & Africamps

### @ Pat Busch :

From Cape Town take the N1 to Worcester for ±100km.

Turn right onto the R60 (towards Robertson) & drive through Worcester by following the signs to Robertson for ±50km.

Continue straight through Robertson in the direction of Ashton on the R60. Cross over the traffic circle as you leave Robertson, and after 10km you will find a road on the left going up towards the mountain – take this KLAASVOOGDS WEST road.

3km up the Klaasvoogds West road follow the signs to **Pat Busch** (which is right at the first T-junction, left at the second T-junction, and then 3km up the gravel road). At the security gate enter your code which was emailed to you.
